

Welcome Prithik!

January 26, 2025

Dear Prithik,

Welcome to the Aquarc Internship! We are so excited to have you for the ride. I'm excited to see how you learn and grow into a full stack web developer working to improve high schoolers' lives across the country!

We have an exciting journey ahead, and I'm confident that you'll thrive in this internship. As a full stack web developer, you'll be working on some of the most challenging aspects of aquarc, including the question prediction algorithm and database management; collaborating with talented individuals across the country; and sharpening your skills. This experience will give you valuable insights into web development while helping to make a meaningful difference in the lives of high school students across the country.

Let's dive in and start this amazing adventure together. Feel free to reach out with any questions or ideas — we're here to support you every step of the way!

Looking forward to seeing your growth and contributions throughout the internship!

Sincerely,

Om Raheja

CEO of aquarc
